**TRAINING:** Teams are welcome to arrive early to conduct pre-race training. All early arrivals must make individual arrangements with Panorama Mountain Resort. Pre-race training/inspection runs and race details will be announced at coaches/team meetings.

**TEAMS:** Ski teams consist of a maximum of 6 racers. The 4 best times on each team are used in the points calculation. Snowboard teams consist of a maximum of 6 racers. While snowboard teams of 3 can qualify for the team category, the top 4 count for points so with a team of 3, they would earn “0” points for their 4<sup>th</sup> seed. See the BCSS Alpine website for examples of the points calculation under Rules and Regulations.

## BCSS Alpine 2019-2020

### Provincial Information for Panorama Mountain Resort

**SCORING:** Seeding is based on race results. Please see the method of scoring at:  
<http://bcssalpine.com/rules.htm>

**RACE COMMITTEE:** Race Chairman: Joanne Bragg and Becca Wright  
Chief of Race: Joanne Bragg and Helmut Spiegel  
Chief of Course: Jim Brewington

**WHERE TO STAY:** Panorama is very busy during our stay. There is a group booking discounted rate you can access by contacting Camille Dion at [racing@panoramaresort.com](mailto:racing@panoramaresort.com). If you have a large group and PMR does not have something suitable, I highly recommend searching VRBO and AirBnB as possible options.

**LIFT TICKETS:** Camille can also manage your lift ticket requests. There is a 6:1 athlete to free coach ticket ratio. Please order these through Camille.

Lift Passes	1-day	2-day	3-day
Adult	\$ 59.85	\$ 119.70	\$ 173.25
Youth	\$ 53.03	\$ 106.05	\$ 154.35

*\*\* rates including 5% GST*

**Additional Coach Tix:** To help ease the cost of the lift tickets, each school will receive 1 adult day pass every race day (so each school would get 1 pass each of the 3 days) if you fall short of the 6:1 ratio. \*Please note the 1-day tickets need to be picked up at the coaches meeting each morning. When planning your lift ticket purchase, simply request 1 less pass for your school per day. Please note – this is per school, not per team. Please email [becca.wright@sd6.bc.ca](mailto:becca.wright@sd6.bc.ca) by February 25, 2020 to secure these tickets. We will hand them out each morning 😊

**VOLUNTEERS:** If your school has a volunteer who is willing to work on the course, we can cover their lift ticket cost for the day they help out. Please email [becca.wright@sd6.bc.ca](mailto:becca.wright@sd6.bc.ca) by February 25, 2020 to secure the spot.
